Eveniment. O munca complot, organizata de mafiile telepatie. Strada Tevere. Apartamentul este gol. Mosul de 82 de ani, sta acolo tot timpul. Are scule de zidarie. Nu prea se pricepe. Aveam telefonul deasupra. Cand si cand pun alarma senzorului de miscare, sau inregistrarea video la miscare. Mafiile glanda pineala au control prin internet la toate programele si functiile din telefonul meu. In trecut un program de inregistrare video pe care al folosesc, a inregistrat doar negru, desi era celularul asezat orizontal la lumina. Am lasat sacosa in camera in care eram. Sa nu imi otraveasca apa. Mosul a spus sa duc sacosa de acolo ca se umple de praf. Persoanele vizate de mafiile glanda pineala din Italia, Vatican, Egipt, Israel, Islam, Romania, America, Europa, Rusia, China, India, Africa, etc, sunt controlate, intoxicate, infectate, epuizate, talharite, mutilate, cenzurate, ascunse, santajate, amenintate, etc, daca ataca minciunile, nebunia, dezinformarea, secretele, razboaiele, talhariile, rasismul, inselaciunile, asasinii, canibalii, vampirii, escrocii, mincinosii, moartea, iadurile, etc, si sunt premiate aplaudate etc, daca ataca stiintele, informatiile, adevarul, dreptatea, egalitatea, unitatea, iubirea, respectul, ordinea, creatorul, sufletele, muncitorii, copiii, batranii, folositorii, etc. Mincinosii, asasinii, talharii, diavolii, canibalii, parazitii, idiotii, nebunii, escrocii, teroristii, sinucigasii, dezinformatii, complicii, victimele, etc, au reusit sa se travesteasca de dumnezei, sfinti, prieteni, iubitori, doctori, judecatori, politici, preoti, filozofi, salvatori, cantareti, savanti, etc, in tot infinitul trecut spatiu si in tot infinitul viitor spatiu. Asta am scris pe 10 octombrie, si am publicat pe Facebook. Cand m-am intors Luni la munca, mosul a cautat motive, si a intrerupt contractul. Am dureri de coate, mi-a iesit herpes pe piciorul stang, sunt cam obosit, si dureri la incheieturile la picioare. Au venit rude din Corsica, Canada si Italia la Milano. Am mancat si baut pe la restaurante. La un restaurant avea o publicitate cu scrisul “Stii cine te saluta”. Fata lui Maria, matusa mea, a fost otravita si a facut infarct. Era directoare la posta. Nimeni nu a specificat ca a fost otravita. La fel cu tata si mama. Cauze naturale cica. Sau paranormal. Sau boli. Prea multe infarcturi in jurul la adevar, eternitate, pace, creator, Etern Ordin, etc. Eu cred ca sunt mafiile te iubesc, si mafiile tatal nostru, si mafiile etc, de vina, pentru toate mutilarile, bolile, talhariile, mesajele, amenintarile, si asasinarile astea. La hotel, la 5 terre, dimineata 12.10.2024, am masurat niste semne in valiza, sa vad daca “mafiile te iubesc pazesc si respect”, sunt pe urmele mele, si seara am constatat ca semnele nu mai erau la aceiasi dimensiune. Au controlat in valiza. Aveam si mancare. Sper sa nu fi intoxicat mancarea cu otravuri, etc. Am mai fost la 5 terre, toti. Inclusiv cand au desenat telepatia cand l-au asasinat pe tata cu infarct. Pe cumnatul Pompi, l-au teleghidat la un muzeu, unde au taiat peretele si au facut o usa, astfel incat au eliminat din desen picioarele lui Isus Hristos, Mi-au specificat chiar mie mafiotii telepatici, prin gura la cumnat. Au adus-o pe fata lui din Toronto la Milano la facultate. Am mai avut alte intalniri, prin baruri. Este normal sa refuz cafea, apa, etc, sau sa le las acolo, dupa atatea asasinari, boli, infectii, etc, cauzate in jurul meu, pentru a ma obliga sa falsific eternitatea mea si a lor, adevarul, existenta, iubirea, dreptatea, respectul, creatorul, pacea, etc. Mafiotii te iubesc, si asasinii te iubesc, sunt foarte periculosi. Lucreaza prin telepatie. Luni am fost chemat pentru o prezentare PVC, la un bar. Cica nu este suficient numai poze, vrea sa atinga si materialul. Au ales la Corsico. Piata Europa. Acolo este un bar. Langa el este un magazine cu publicitatea “am un diavol pe un fir de par”. Am lasat cafeaua pe masa. Astia sunt nebuni si asasini. M-au otravit, infectat, epuizat, si imbolnavit de prea multe ori. Nu stiu cum de sunt inca viu, etc. Am dus masina la revizie. Mi-a spus ca pe partea stanga in fata, nu franeaza. Mi-au spus ca ma pot rostogoli la o frana mai puternica. Am observat si eu cand franam ca derapeaza masina. Au pus interdictie in Milano la masinile cu euro 5 motorina, asa m-au obligat sa vand masina si sa cumpar alta cu euro 6. Am gasit la Cologno o masina cu putini km. Daca or fi reali. Pret 8000. Lucreaza la banca. Spre vanzare, chilometrajul trecuse la 59999 km. Probabil a fost manipulata masina si pregatita pentru vanzare si un accident mortal. Am cerut azil, protectie, ajutor, etc, pentru mine si pentru cei din jurul meu, de la toate tribunalele, bisericile, persoanele, zeii, stiintele, etc, din infinitul spatiu, dar vad ca am protectie si ajutor numai de la adevar, stiinte, creator, etc. Observ ca ei nu ma pot proteja prea mult de tantari, escroci, asasini, virusi, bacterii, boli, otravuri, idioti, nebuni, diavoli, dezinformati, mafioti, mincinosi, complici, victime, etc., Zeii, creaturile, persoanele, etc, care sunt dezinformati, mincinosi, etc, sunt foarte periculosi, rasisti, asasini, nebuni, nesimtiti, mandri, incapatinati,

otravitori, daunatori, etc. In cartea Etern Ordin Infinit, aveti lista cu toti sfintii, diavolii, nebunii, savantii, rasistii, iubitorii, mafiotii, teroristii, pedofilii, talharii, canibalii, vampirii, asasinii, dezinformatii, etc, din tot infinitul trecut spatiu si tot infinitul viitor spatiu. Sa nu pierdeti lista. Alta lista nu va mai fac. Multi au facut activitati de zei, sfinti, salvatori, educatori, judecatori, psihologi, politici, preoti, etc, fara sa cunoasca creatorul existentei, adevarul, iubirea, eternitatea, pacea, intelegerea, Etern Ordin Infinit, etc. Multe creature, zei, persoane, etc, vor sa te convinga ca te iubesc, salveaza, protejeaza, desteapta, vindeca, etc, desi ele nu cunosc si nu vor sa cunoasca creatorul existentei, adevarul, iubirea, eternitatea, pacea, intelegerea, Etern Ordin Infinit, etc. Cea mai trista situatie este ca vor sa ma otraveasca, indobitoceasca, adoarma, epuizeze, ascunda, imbolnaveasca, si omoare, pentru ca vreau sa ai salvez de minciuni, nebunie, razboaie, epoca de piatra, neintelegere, talharii, nedreptate, terorism, moarte, iad, diavoli, tirani, talhari, canibali, vampiri, etc. Adevarul, stiintele, iubirea, creatorul, etc, au decis si aratat toti zeii sufletele persoanele creaturile etc din tot infinitul trecut prezent si viitor, care sunt nebuni, rasisti, mincinosi, teroristi, escroci, asasini, daunatori, dezinformati, complici, victime, etc. Sper sa nu falsifice, ascunda, etc, nici un zeu, suflet, persoana, creatura, etc. Sper sa afle toti zeii sufletele persoanele creaturile etc din tot infinitul trecut prezent si viitor daca sunt dezinformati, nebuni, rasisti, teroristi, etc, sau daca sunt informati, iubitori, cinstiti, sfinti, pasnici, etc, si sa decida ce vor sa ramana sau sa devina. Parazitii diavolii asasinii invidiosii etc au decis sa ramana paraziti diavoli asasini invidiosi etc. Dezinformatii probabil vor decide sa devina informati, daca vor gasi cartea Etern Ordin Infinit, si daca o vor intelege. Mafia Izrael, Islam, Egipt, Italia, Vatican, etc, vor continua sa ma atace, ascunda, intoxice, radieze, falsifice, manipuleze, santajeze, epuizeze, mutileze, si omoare pana la moartea mea, din cauza ca sunt plin de adevar, iubire, respect, inteligenta, dreptate, ordine, egalitate, unitate, intelegere, dreptate, eternitate, etc, din cauza ca am participat la descoperirea creatorului, adevarului, dreptatii, pacii, eternitatii, etc, din cauza ca am demascat toti parazitii, nebunii, talharii, escrocii, asasinii, monstrii, tiranii, razboinicii, dezinformatii, canibalii, vampirii, complicii, victimele, razboaiele, comploturile, talhariile, etc, din tot infinitul trecut spatiu si din tot infinitul viitor spatiu. Teleghidari telepatice. Tentativul de omor cu foarfecul din fonta de 15 cm, in coasta dreapta, in jurul la 14 ani. Mama mea era imbracata cu un pulover albastru cerului. Era asezata pe pat. Cusea o haina. Ne certam. Eram pe partea stanga a ei. Cu spatele la fereastra. Apartamentul din Roman strada Ion Creanga. Am sarit in spate, astfel ea nu m-a injunghiat. Doar mi-a taiat tricoul, si mi-a zgariat pielea. Mi-a iesit sange. Am lovit-o cu pumnul.

In data de 14.11.2011, dumnezeu mi-a bagat in ganduri, prin radiatii, raze, si telepatie, aceste cuvinte: "Bine ati venit din dimensiunea, doi unu, in dimensiunea unu doi. Drum bun din dimensiunea unu doi, in dimensiunea, doi trei. Etern Ordin Infinit." Mesaj de la dumnezeu, pentru toate sufletele din infinitul timp si spatiu. Din 835 carti de tarot, doar pe una scrie cuvantul creator. Sinonim dumnezeu. Am infipt varful la cutit, exact in aceasta carte. Exact in directia la coasta dreapta a lui dumnezeu. Directia la o sfera lumina. In coasta dreapta a fost injunghiat, creatura care a facut piramidele din Egipt, mii de ani in urma, apoi tot in coasta dreapta a fost injunghiat creatura Isus Hristos, apoi eu am reusit sa ma salvez. M-am ales doar cu o zgarietura in coasta dreapta.

Videoclip real cu corpul invizibil al lui Dumnezeu. Videoclip realizat de creator. Dumnezeu. In acest cod video, a fost inregistrat corpul invizibil a lui dumnezeu. Codul video Etern Ordin Infinit. In data de 14 noiembrie 2011, eu si dumnezeu, am amestecat 835 de carti tarot. Filmat video. Dupa ce le-am amestecat, le-am asezat intre doua sticle. Apoi de la o distanta de patru metri, cu ochii inchisi, m-am deplasat spre cartile tarot, si am infipt cutitul, exact in cartea tarot, care reprezinta pe dumnezeu. Doar pe o singura carte tarot, este scris cuvantul creator. Dumnezeu a luat mana mea, si a condus varful cutitului, exact in cartea tarot cu scrisul creator. Sinonim dumnezeu. El a bagat varful cutitului, exact in cantul cartii tarot, pe partea dreapta a cartii tarot, la nivelul sferei. Tara Romania, oras RomaN, oras Roma, oras Milano, strada SanNio, strada EnNio, strada SanZio, piata TreNto, etc. Acesta este maximul de paranormal, mister, magie, necunoscut, etc, care exista in infinitul timp si spatiu. Vreau mai multe explicatii, detalii, probe, etc, despre dumnezeu, suflete, necunoscut, paranormal, si aceste evenimente, dar nu reusesc sa primesc mai mult de atat. Creaturi invizibile ne alunga prin telepatie, radiatii, raze, gaze, vraji, magii, filme, bani, amenintari, asasinari, mutilari, etc, din jurul la aceste probe, explicatii, demonstratii, creaturi, energii, etc. Toti zeii, sufletele, persoanele, creaturile, etc, din tot infinitul trecut spatiu, si din tot infinitul viitor spatiu, au fost, sunt si vor ramane bolnavi de necunoscut, inexplicabil, paranormal, incredibil, invizibil, etc. Nu stim ce forma are existenta, infinitul, etc. Nu ne putem explica aceste creaturi invizibile, si aceste magii anunturi si fenomene, din aceste coduri video. Avem prea putine explicatii despre aceste fenomene video, si despre aceste creaturi invizibile. Nu primir mai mult de atat. Fin pacate minciunile, dezinformarea, neincrederea, necunoscutul, galagia, etc, au reusit sa omoare pe toti zeii, sufletele, persoanele, creaturile, etc, din tot infinitul trecut spatiu, si din tot infinitul viitor spatiu, morti vii sau nenascuti. Creatorul i-a inviat din morti, in acest cod video. Fundul de sticla sparta, din iarba calcata intai, cu un picior, de fratele Petru Pavel Iacint, si apoi de mine, in calcaiul drept. Trei taieturi in calcai. Treimea din calcaiul drept facuta de taieturile la fundul la o sticla

Am iesit de pe carare. Secrete si creaturi invizibile, ascunse in cuvinte si litere. Fratele Pietru Pavel Iacint si-a taiat intai degetele la picior. Apoi eu.

Pe 28 iunie 2017, aceste creaturi invizibile, mi-au facut o fractura trimaleolara, la piciorul stang, pe malul stang al raului Siret, intre Buruienesti si Sagna. Eveniment. Joi 21 noiembrie 2024, am scris de fundul de sticla spart din iarba, numarul 3, etc. Vineri dimineata cand am plecat din parcare, cand am dat in marsarier, am calcat pe o sticla, cu roata din stanga din fata. Dupa 15 minute m-am intors inapoi. Sticla transparenta de o bautura alcoolica, era faramata la complet unde a trecut roata, iar fundul de sticla era sarit la doi metri de restul, in picioare. Avea un colt lung in forma la un triunghi. Inalt de circa opt centimetri. Am facut poza. O parte din sticla are trei litere imprimate. SON. Litere ramase de la cuvantul intreg. A treia bucata de sticla are un P in colt sus, REM subt el, "An original recipe""distilled Gin sweeth".... A patra bucata de sticla are patru litere mari SONS. Restul de sticla este faramata. Nu sunt de accord cu alcolul, drogurile, si alte substante, activitati, fenomene, radiatii, etc, care deregleaza si afecteaza gandirea, amintirile, pacea, linistea, etc. Am crezut ca este o intamplare oarecare. Copilul s-a intors de la scoala. A spus imediat ca tabletul este vechi si nu mai merge atingerea. Seara am scris eu la el. Dimineata l-a pus el în geanta. La scoala la prima ora tabletul nu functiona. Avea o lovitura pe cant in partea stanga la circa zece centimetri de colt, si de acolo au plecat doua crapaturi in partea de jos. Formeaza un triunghi de circa zece centimetri. Pe 21 am scris, ca am bagat cutitul in cantul la cartea tarot a lui Dumnezeu, in partea dreapta. Eveniment paranormal. Si am scris si de faraonul piramidelor si Isus Hristos, ca au fost injunghiati in partea dreapta, mii de ani in urma, iar eu am evitat sa fiu injunghiat in partea dreapta. Copilul nu stie cum s-a spart tabletul. Probabil s-a spart cand l-a impins jos de pe masa, Nicolo R.... Alta explicatie nu este. Nicolo scrie ca Civi a miscat masa. Chiar daca misca masa nu putea aluneca tabletul jos, decat la o mare inclinatie. Civi spune ca Nicolo scrie minciuni, si ca el nu a miscat masa, si ca alta data Nicolo i-a aruncat jos de pe masa penarul. Spune ca este regele leu. Copiii, teleghidati prin telepatie. Creatura invizibila exista. Nu isi poate arata existenta decat in aceste moduri. Controleaza si piloteaza prin radiatii, raze, telepatie, telekinezie, etc, pe oricine si orice. Sigur sunt mai multe creaturi invizibile, si sigur sunt in conflict. Unele ajuta, altele distrug, sunt invidioase, etc. Si minciunile si-au construit un rege si un creator, etc. Persoanele nu pot organiza astfel de evenimente. Intradevar savantii, preotii, zeii,

magii, etc, despre anumite evenimente, situatii, forme, etc, nu ne pot spune nimic, sau numai minciuni, sau ascund, sau ignora, sau distrug, sau spun lucruri in afara la stiinte realitate posibil etc. Cand eram mic si dezinformat, scoala si biserica m-au inselat si mi-au spus minciuni despre existenta, etc. Astazi ele ascund, si vor sa imi distruga sau falsifice, sau manipuleze, informatiile si evenimentele primite de la aceste creaturi invizibile.

3585. Daca intr-un loc si intr-un timp, creatorul existentei etern invizibil, NMEILIS NMEINIS ESGSEIS, existenta, timpul, spatiul, infinitul, stiintele, tehnologia, adevarul, iubirea, respectul, intelegerea, dreptatea, egalitatea, unitatea, ordinea, pacea, eternitatea, magia, telekinezia, eternitatea continua infinitul trecut prezent viitor spatiu, limba infinitului timp si spatiu, Sfera Invizibila Vie Infinita, cartea Etern Ordin Infinit, etc, vor sustine, ajuta, vota, sau tolera, sau se vor converti, la epoca de piatra, anti stiinte, rugaciuni, sacrificii, umiliri, ingenuncheri, ritualuri de crima tortura si canibalism, intuneric, moarte, iaduri, cenzura, minciuni, razboaie, terorism, inselaciuni, talharii de studii stiinte resurse profit banci persoane etc din infinitul spatiu trecut prezent si viitor, dezordine, dezinformare, dezinteres, comploturi, imposibil, inexistent, ireal, secrete, necunoscut, nepasare, neincredere, neatentie, nedreptate, neintelegere, invidie, trilioane de alfabete limbi religii politici traditii culturi carti filme etc, alcol, droguri, Biblie, Quran, dezinformare, nebunie, sabii, pistoale, bombe atomice, aur, bani, engleza, chineza, rusa, araba, latina, continente, timpuri, asasini, mafioti, escroci, diavoli, sinucigasi, complici, victime, substante, fenomene, etc, atunci sa stiti sigur, ca in maxim cativa ani de zile va fi redistrusa si reconstruita existenta. De aceia voi sa nu dati voie la creator, iubire, stiinte, adevar, pace, intelegere, timp, spatiu, etc, sa se converteasca la minciuni, moarte, razboaie, etc. Altfel va calc in picioare, altfel vedem redistrugerea si refacerea existentei. ------- Existenta, timpul, spatiul, infinitul, stiintele, tehnologia, adevarul, iubirea, respectul, intelegerea, dreptatea, egalitatea, unitatea, ordinea, pacea, eternitatea, magia, telekinezia, eternitatea continua infinitul trecut prezent viitor spatiu, limba infinitului timp si spatiu, Sfera Invizibila Vie Infinita, cartea Etern Ordin Infinit, etc, cunosc tot infinitul timp si spatiu, ca creatorul, protectorul, prietenul, sclavul, doctorul, educatorul, etc, al lor, la toti si la toate a fost, este si va fi, creatorul existentei etern invizibil, NMEILIS NMEINIS ESGSEIS. Chiar daca unii zei, creaturi, persoane, carti, timpuri, spatii, etc, au fost derutate, manipulate, infectate, radiate, mutilate, furate, inselate, orbite, drogate, umilite, defaimate, si asasinate de mincinuni, gaze, radiatii, telepatie, dezinformare, neatentie, etc, pana la sfarsitul infinitului viitor spatiu, se vor intoarce inapoi la creatorul existentei etern invizibil, NMEILIS NMEINIS ESGSEIS. Unii inca mai voteaza, sau inca mai dau cu zarurile, sau etc, sa ghiceasca cine este creatorul existentei, adevarului, iubirii, eternitatii, etc, Unii inca se inseala si cred ca natura a avut inteligenta sa ai construiasca, sau a fost intamplarea ca i-a creat si i-a adus la codurile video Etern Ordin Infinit, 24999, etc, sau ca ei se trag din elefant, tantar, maimuta, apa, aer, pamant, etc, cu ajutorul la intamplare. Unii inca se inseala si cred ca natura, sau fizica, sau intamplarea, sau vantul, sau etc, invarte stelele si planetele din galaxia solara la aceleasi timpuri, distante, si inaltimi, din cauza ca sunt prea dezinformati, sau inconstienti, sau radiati, sau nepasatori, sau etc. Altii cunosc, gandesc, si cred foarte putin. ------ Dependenta de minciuni, nepasare, necunoscut, dezinformare, razboaie, talharii, rasism, nedreptate, secret, umiliri, inselaciuni, moarte, etc, este o realitate care a macinat, umilit, inselat, manipulat, separat, furat, si asasinat pe toti zeii, sufletele, persoanele, creaturile, galaxiile, etc, din tot infinitul trecut spatiu, si poate face la fel tot infinitul viitor spatiu. Therefore, do not allow the creator, love, sciences, truth, peace, understanding, time, space, etc, to convert them to lies, death, wars, etc. Otherwise, we will trample on you, otherwise we will see the redestroy and reconstruction of the existence. ------- Existence, time, space, infinity, sciences, technology, truth, love, respect, understanding, justice, equality, unity, order, peace, eternity, magic, telekinesis, eternity continues infinite past present future space, the language of the infinite time and space, the Invisible Infinite Living Sphere, the book Eternal Infinite Order, etc, know all infinite time and space, as the creator, protector, friend, slave, doctor, educator, etc, of them, to everyone and to everything was, is and will be, the eternal invisible creator of the existence, NMEILIS NMEINIS ESGSEIS. Some still vote, or still roll dice, or etc, to guess who is the creator of the existence, truth, love, eternity, etc. Some still are mistaken and believe that nature had the intelligence to build them, or it was chance that created them and brought them to the video codes Eternal Infinite Order, 24999, etc, or that they are drawn from elephant, mosquito, monkey, water, air, earth, etc, with the help of chance. Some still are mistaken and believe that nature, or physics, or chance, or wind, or etc, rotates the stars and planets in the solar galaxy at the same times, distances, and heights, because they are too misinformed, or unconscious, or radiated, or indifferent, or etc. Others know, think, and believe very little. ------ Addiction to lies, indifference, the unknown, misinformation, wars, robberies, racism, injustice, secrecy, humiliations, deceptions, death, etc, is a reality that has crushed, humiliated, deceived, manipulated, separated, stolen, and assassinated all the gods, souls, persons, creatures, galaxies, etc, from all the infinite past space, and can do the same for all the infinite future space. Only addiction to truth, sciences, reality, Eternal Infinite Order, eternity, etc, can save them from addiction to lies, indifference, the unknown, misinformation, wars, etc. I believe that they will be deceived, humiliated, tortured, mutilated, defamed, separated, stolen, and assassinated by lies, misinformation, indifference, distrust, secrets, wars, gold, money, etc, all the gods, souls, persons, creatures, galaxies, etc, from all the infinite future space, exactly the same as it happened with all the gods, souls, persons, creatures, galaxies, etc, from all the infinite past space. In data de 14 noiembrie 2011, eu si dumnezeu, am amestecat 835 de carti tarot. Filmat video. Dupa ce le-am amestecat, le-am asezat intre doua sticle. Apoi de la o distanta de patru metri, cu ochii inchisi, m-am deplasat spre cartile tarot, si am infipt cutitul, exact in cartea tarot, care reprezinta pe dumnezeu. Doar pe o singura carte tarot, este scris cuvantul creator. Dumnezeu a luat mana mea, si a condus varful cutitului, exact in cartea tarot cu scrisul creator. Sinonim dumnezeu. El a bagat varful cutitului, exact in cantul cartii tarot, pe partea dreapta a cartii tarot, la nivelul sferei. Tara Romania, oras RomaN, oras Roma, oras Milano, strada SanNio, strada EnNio, strada SanZio, piata TreNto, etc. Acesta este maximul de paranormal, mister, magie, necunoscut, etc, care exista in infinitul timp si spatiu. Ofer adresa internet pentru descarcarea detaliilor.

Teleghidari telepatice. Tentativul de omor cu foarfecul din fonta de 15 cm, in coasta dreapta, in jurul la 14 ani. Mama mea era imbracata cu un pulover albastru cerului. Era asezata pe pat. Cusea o haina. Ne certam. Eram pe partea stanga a ei. Cu spatele la fereastra. Apartamentul din Roman strada Ion Creanga. Am sarit in spate, astfel ea nu m-a injunghiat. Doar mi-a taiat tricoul, si mi-a zgariat pielea. Mi-a iesit sange. Am lovit-o cu pumnul.

In data de 14.11.2011, dumnezeu mi-a bagat in ganduri, prin radiatii, raze, si telepatie, aceste cuvinte: "Bine ati venit din dimensiunea, doi unu, in dimensiunea unu doi. Drum bun din dimensiunea unu doi, in dimensiunea, doi trei. Etern Ordin Infinit." Mesaj de la dumnezeu, pentru toate sufletele din infinitul timp si spatiu. Din 835 carti de tarot, doar pe una scrie cuvantul creator. Sinonim dumnezeu. Am infipt varful la cutit, exact in aceasta carte. Exact in directia la coasta dreapta a lui dumnezeu. Directia la o sfera lumina. In coasta dreapta a fost injunghiat, creatura care a facut piramidele din Egipt, mii de ani in urma, apoi tot in coasta dreapta a fost injunghiat creatura Isus Hristos, apoi eu am reusit sa ma salvez. M-am ales doar cu o zgarietura in coasta dreapta.

Vreau mai multe explicatii, detalii, probe, etc, despre dumnezeu, suflete, necunoscut, paranormal, si aceste evenimente, dar nu reusesc sa primesc mai mult de atat. Creaturi invizibile ne alunga prin telepatie, radiatii, raze, gaze, vraji, magii, filme, bani, amenintari, asasinari, mutilari, etc, din jurul la aceste probe, explicatii, demonstratii, creaturi, energii, etc. Toti zeii, sufletele, persoanele, creaturile, etc, din tot infinitul trecut spatiu, si din tot infinitul viitor spatiu, au fost, sunt si vor ramane bolnavi de necunoscut, inexplicabil, paranormal, incredibil, invizibil, etc. Nu stim ce forma are existenta, infinitul, etc. Nu ne putem explica aceste creaturi invizibile, si aceste magii anunturi si fenomene, din aceste coduri video. Avem prea putine explicatii despre aceste fenomene video, si despre aceste creaturi invizibile. Nu primim mai mult de atat. Din pacate minciunile, dezinformarea, neincrederea, necunoscutul, galagia, etc, au reusit sa omoare pe toti zeii, sufletele, persoanele, creaturile, etc, din tot infinitul trecut spatiu, si din tot infinitul viitor spatiu, morti vii sau nenascuti. Creatorul i-a inviat din morti, in acest cod video. Cu aceste coduri video, noi putem evita redistrugerea si refacerea existentei, ne putem proteja si elibera de minciuni, necunoscut, dezinformare, moarte, iad, razboaie, neintelegere, diavoli, asasini, escroci, complici, victime, etc, etc.

Fundul de sticla sparta, din iarba calcata intai, cu un picior, de fratele Petru Pavel Iacint, si apoi de mine, in calcaiul drept. Trei taieturi in calcai. Fratele Pietru Pavel Iacint si-a taiat intai degetele la picior. Apoi eu.

Pe 28 iunie 2017, aceste creaturi invizibile, mi-au facut o fractura trimaleolara, la piciorul stang, pe malul stang al raului Siret, intre Buruienesti si Sagna. Aveam 161616 km la bordul la Fordul Mondeo. Proprietarul vechi era un calugar pe nume Christo de Vries. Copilul meu atunci avea patru ani. De pe scaunul pentru copii, din spate la masina, si-a facut poza singur, la piciorul stang. Intins pe scaunul liber, din fata lui. Cornelia era in stanga lui. In drum spre Romania din Italia. Video reale con il corpo invisibile di Dio. Video realizzato dal creatore. Da Dio. In questo codice video è stato registrato il corpo invisibile di Dio. Codice video Ordine Rterno Infinito.

https://www.facebook.com/share/v/1AqiDRn6Hf/

Il 14 novembre 2011, Dio e io abbiamo mescolato 835 carte di tarocchi. Video girato. Dopo averli mescolati, li ho posizionati tra due bottiglie. Poi da una distanza di quattro metri, con gli occhi chiusi, mi sono

spostato verso i tarocchi, e ho conficcato il coltello, esattamente nella carta dei tarocchi, che rappresenta Dio. Solo su una carta dei tarocchi è scritta la parola creatore. Dio mi prese la mano e condusse la punta del coltello, esattamente nella carta dei tarocchi con la scrittura IL creatore. Sinonimo di dio. Inserì la punta del coltello, esattamente nell bordo della carta dei tarocchi, sul lato destro della carta dei tarocchi, a livello della sfera. Paese Romania, città RomaN, città Roma, città Milano, via SanNio, via EnNio, via SanZio, piazza TreNto, ecc. Questo è il massimo del paranormale, del mistero, della magia, dell'ignoto, ecc, che esiste nel tempo e nello spazio infinito. Fornisco l'indirizzo internet per scaricare i dettagli.

Guide remote telepatiche. Il tentato omicidio con il forbice in ghisa da 15 centimetri, nella costola destra, intorno ai 14 anni. Mia madre indossava un maglione azzurro cielo. Era seduta sul letto. Stava cucendo un cappotto. Stavamo litigando. Ero alla sua sinistra. Con le spalle alla finestra. L'appartamento a Roman, via Ion Creanga. Sono saltato indietro, così non mi ha pugnalato. Mi ha semplicemente tagliato la maglietta e mi ha graffiato la pelle. Ho sanguinato. Le ho dato un pugno.

Il 14.11.2011, Dio ha messo queste parole nei miei pensieri, attraverso radiazioni, raggi e telepatia: "Benvenuti dalla dimensione due uno, alla dimensione uno due. Addio dalla dimensione uno due, alla dimensione due tre. Eterno Ordine Infinito." Messaggio da Dio, per tutte le anime dal tempo e dallo spazio infinito. Su 835 carte di tarocchi, solo su una è scritto parola creatore. Sinonimo di dio. Ho infilato la punta del coltello, proprio in questa carta di tarocchi. Esattamente nella direzione del lato destro di Dio. Direzione verso una sfera luce. La creatura che costruì le piramidi in Egitto, migliaia di anni fa, fu pugnalata alla costola destra, poi la creatura Gesù Cristo, fu pugnalata alla costola destra, e io riuscii a salvarmi. Ho solo un graffio sulla costola destra.

Voglio più spiegazioni, dettagli, prove, ecc., riguardo Dio, le anime, l'ignoto, il paranormale e questi eventi, ma non posso ottenere di più. Le creature invisibili ci allontanano attraverso la telepatia, le radiazioni, i raggi, i gas, gli incantesimi, la magia, i film, il denaro, le minacce, gli assassini, le mutilazioni, ecc, da intorno a queste prove, spiegazioni, dimostrazioni, creature, energie, ecc. Tutti gli dei, anime, persone, creature, ecc, da tutto lo spazio infinito passato e da tutto lo spazio infinito futuro, sono stati, sono e rimarranno malati di inconoscibile, inspiegabile, paranormale, incredibile, invisibile, ecc. Non sappiamo quale forma abbia l'esistenza, l'infinito, ecc. Non possiamo spiegare queste creature invisibili, e questi annunci e fenomeni magici, da questi codici video. Abbiamo troppo poche spiegazioni su questi fenomeni video e su queste creature invisibili. Non capisco di più. Sfortunatamente, le bugie, la disinformazione, la sfiducia, l'ignoto, il caos, ecc, sono riusciti a uccidere tutti gli dei, le anime, le persone, le creature, ecc, da tutto l'infinito spazio passato e da tutto l'infinito spazio futuro, morti viventi o non ancora nati. Il creatore li ha resuscitati dai morti, in questo codice video. Con questi videocodici possiamo evitare la ri-distruzione e la ricostruzione dell'esistenza, possiamo proteggerci e liberarci di bugie, dall'ignoto, dalla disinformazione, dalla morte, dall'inferno, dalle guerre, dalle incomprensioni, dai diavoli, dagli assassini, dai truffatori, dai complici, dalle vittime, ecc, ecc.

Il fondo del vetro rotto, dall'erba calpestato prima, con un piede, dal fratello Petru Pavel Iacint, e poi da me, sul tallone destro. Tre tagli nel tallone. La trinita del tallone destro provocato dai tagli sul fondo di una bottiglia rotta. Di pepsi o di cola, nascosta nell'erba sulla diga del fiume Siret. Villaggio di Adjudeni. La riva destra del fiume. Oppure la parola Siret, con una virgola, sotto la lettera s, significa astuzia. Fiume Siret. Cattivo o buono. Lacci per pantofola. La parola Siret, nella lingua rumena, ha tre significati. La parola Noua ha tre significati. La nuova maglietta. Ci piace l'eternità. Numero nove. Codice video 24999. Avevo circa otto anni. Eravamo scalzi. Stavo scappando dagli altri bambini. Correvo al bagno nel fiume Siret. Prima sul sentiero della diga. A causa dei colpi di pietra nella suola, abbiamo iniziato a correre nell'erba. Abbiamo lasciato il sentiero. Segreti e creature invisibili, nascosti in parole e lettere. Il fratello Pietru Pavel Iacint per primo si è tagliato le dita dei piedi. Poi io.

Il 28 giugno 2017, queste creature invisibili mi hanno procurato una frattura trimalleolare della gamba sinistra, sulla riva sinistra del fiume Siret, tra Buruienesti e Sagna. Ho percorso 161616 km sulla Ford Mondeo. Il vecchio proprietario era un monaco di nome Christo de Vries. Mio figlio aveva allora quattro anni. Dal seggiolino del bambino, dal retro dell'auto, si è fatto la foto da solo, sulla gamba sinistra. Sdraiato sulla sedia vuota di fronte a lui. Cornelia era alla sua sinistra. In viaggio verso la Romania dall'Italia. Prima che mi rompa la caviglia. Era guidato telepaticamente. Il misterioso omicidio di mio padre, avvenuto il 13 luglio 2012 alle 6 in ospedale. Attacco di cuore. C:F: Gesù Cristo ha i SSS. C:F: il mio ha NNN. Tre 3 tagli sulla gamba destra, tre 3 fratelli davanti a me. Tre 3 ossa rotte sulla gamba sinistra, tre 3 fratelli dopo di me. Sette fratelli. 7. Tra la mia nascita il 3 gennaio 1975 e il codice video 26662 del 5 luglio 2011 ci sono 13331 giorni. Nel 2011 avevo 36 anni e 6 mesi. Sono alto 175 cm. Mancano 13331 giorni al 3 gennaio 2048. Un totale di 26662 giorni. Il passato il presente il futuro.

Real video with the invisible body of the God. Video made by our creator, our God. In this video code, has been recorded, the invisible body of the God. The video code Eternal Infinite Order.
https://www.facebook.com/share/v/12D6c88tKYp/

On November 14, 2011, God and I, have mixed 835 tarot cards. Videotaped. After mixing them, I placed them between two bottles. Then from a distance of four meters, with my eyes closed, I moved towards the tarot cards, and stuck the knife, exactly in the tarot card, which represents God. Only on one tarot card, the word "creator" is written. God took my hand, and led the tip of the knife, exactly in the tarot card, with the writing creator. Synonym god. He stuck the tip of the knife, exactly in the edge of the tarot card, on the right side of the tarot card, at the level of the sphere. Romania country, RomaN city, Roma city, Milan city, SanNio street, EnNio street, SanZio street, TreNto square, etc. This is the maximum of paranormal, mystery, magic, unknown, etc, which exists in infinite time and space. I provide the internet address for downloading the details.

Telepathic remote guides. The attempted murder with the 15 cm cast iron scissors, in the right rib, around the age of 14. My mother was dressed in a sky blue sweater. She was sitting on the bed. She was sewing a coat. We were arguing. I was on her left side. With his back to the window. The apartment in Roman, Ion Creanga street. I jumped back, so she didn't stab me. It just cut my shirt and scratched my skin. I bled. I punched her.

On 14.11.2011, God put these words in my thoughts, through radiation, rays, and telepathy: "Welcome from dimension two one, to dimension one two. Farewell from dimension one two, to dimension, two three. Eternal Infinite Order." Message from God, for all souls from all infinite time and space. Out of 835 tarot cards, only one has the word creator written on it. Synonym for god. I stuck the tip of the knife, exactly in this tarot card. Exactly in the direction of God's right side. Direction to a light sphere. The creature that built the pyramids in Egypt, thousands of years ago, was stabbed in the right rib, then the creature Jesus Christ was also stabbed in the right rib, then I managed to save myself. I only got a scratch on my right rib.

I want more explanations, details, evidence, etc, about god, souls, unknown, paranormal, and these events, but I can't get more than that. Invisible creatures drive us away through telepathy, radiation, rays, gases, spells, magic, films, money, threats, assassinations, mutilations, etc, from around these evidences, explanations, demonstrations, creatures, energies, etc. All the gods, souls, persons, creatures, etc, from all past infinite space, and from all future infinite space, have been, are and will remain sick by unknowable, inexplicable, paranormal, incredible, invisible, etc. We do not know what form has, the existence, infinity, etc. We cannot explain these invisible creatures, and these magical announcements and phenomena, from these video codes. We have too few explanations about these video phenomena, and about these invisible creatures. I don't get more than that. Unfortunately, the lies, misinformation, mistrust, unknown, chaos, etc, have managed to kill all the gods, souls, persons, creatures, etc, from all the infinite past space, and from all the infinite future space, living dead or unborn. The creator has resurrected them from the dead, in this video code. With these video codes, we can avoid the re-destruction and rebuilding of the existence, we can protect and free ourselves from lies, unknown, disinformation, death, hell, wars, misunderstanding, devils, assassins, swindlers, accomplices, victims, etc, etc.

The bottom of the broken glass, from the grass stepped on first, with one foot, by brother Petru Pavel Iacint, and then by me, on the right heel. Three cuts in the heel. The third of the right heel made by the cuts at the bottom of a broken bottle. Of pepsi or cola, hidden in the grass on the dam of the Siret river. Adjudeni village. The right bank of the river. Or string with a comma, under the letter s, means cunning. Siret River. Bad or good. Slipper laces. The word Siret, in the Romanian language, has three meanings. The word Nine has three meanings. The new shirt. We like eternity. Number nine. Video code 24999. I was around eight years old. We were barefoot. I was running away from the other children. I was running to the bathroom in the Siret river. First on the path of the dike. Because of the stone stings in the sole, we started to run through the grass. I left the path. Secrets and invisible creatures, hidden in words and letters. Brother Pietru Pavel Iacint first cut his toes. Then me.

On June 28, 2017, these invisible creatures made a trimalleolar fracture on my left leg, on the left bank of the Siret river, between Buruienesti and Sagna. I had 161616 km on the Ford Mondeo. The old owner was a monk named Christo de Vries. My child was then four years old. From the children's seat, from the back of the car, he took his picture alone, on his left leg. Lying on the empty chair in front of him. Cornelia was on his left. On the way to Romania from Italy. Before I break my ankle. He was telepathically guided. My father's mysterious murder, on July 13, 2012 at 6 o'clock in the hospital. Heart attack. C:F: Jesus Christ has SSS. C:F: mine has NNN. Three 3 cuts on the right leg, three 3 brothers before me. Three 3 broken ankles on the left leg, three 3 brothers after me. Seven brothers. 7. Between my birth on January 3, 1975, and video code 26662 from July 5, 2011, there are 13331 days. I was 36 years and 6 months old in 2011. I'm 175 cm tall. There are 13331 days until January 3, 2048. A total of 26662 days. The past the present the future.

Eveniment. Pe 3 ianuarie 2025, ne intorceam de la Siena. Eram pe banda a doua a autostrazii. Masina avea in jur de 110 km la ora. Pe prima banda m-au depasit trei masini una dupa alta. Aveau in jur de

130 km la ora. Prima masina era gip, iar celelalte doua masini mici. Prima masina a franat brusc, pana ce s-a oprit pe prima banda. Celelalte doua din spatele ei, au franat dar au trecut pe banda doi in fata mea, din cauza ca nu aveau timp sa evite un accident. Eu am franat si am trecut pe banda trei pentru ca sa evit un accident. Noroc ca nu aveam masini in dreapta. De la nasterea mea, sugrumat de cordonul ombilical, pana acum am avut zeci de pericole, fracturi, lovituri, amenintari, etc. Creaturi invizibile? Persoane?

3627. Traducerea radiatiilor emanate de creatorul existentei. Eu am creat existenta, spatiul, infinitul, intr-o secunda, din corpul si gandurile mele. Apoi am creat cu ajutorul la gandurile si corpul meu, in timp de 11 ore, prima galaxie de 5 miliarde de stele si 24 planete, intinse pe o suprafata de 777 de milioane de km. Apoi am creat substantele apa primele bacterii primele creaturi minuscule etc, in timp de zeci de ani. Apoi am creat dintr-o specie, mai multe specii, si din mai multe specii alte specii, in timp de milioane de ani. Pana ce am ajuns la cele mai sofisticate si inteligente specii. Unele specii au disparut. Alte specii eu am creat. Eu voi crea alte specii, care sa le inlocuiasca, pe astea actuale. Eu voi transforma toti zeii persoanele si sufletele din infinitul spatiu, in alte creaturi mai puternice si mai inteligente, astfel incat sa ma inteleg mai bine cu ele, sa nu mai intre in ele rasism minciuni razboaie scandaluri necunoscut nedreptate neintelegere dezinformare moarte boli batranete etc, si sa aiba permanent in interiorul lor, pace, eternitate, dreptate, stiinte, intelegere, respect, iubire, etc. Eu voi crea alte galaxii. 3662. Poporul este o inventie din epoca de piatra, este anti stiinte, anti pace, anti intelegere, anti unitate, anti egalitate, anti dreptate, anti eternitate, anti respect, anti iubire, anti libertate, anti persoane, anti creatorul existentei, anti familia mea Infinitul Trecut Prezent Viitor Spatiu, anti etc. Si Biblia, Coranul, dezinformarea, secretele, rasismul, talhariile, inselaciunile, nepasarea, engleza, chineza, araba, latina, povestile, capitalismul, comunismul, fascismul, etc, sunt tot inventii cu radacini si informatii preluate din epoca de piatra. ---- Nu poate fi pierdut, eliminat, sau asasinat nimeni si nimic din existenta, fara voia mea, creatorul existentei. Perioada de sedere a sufletului intr-o anumita dimensiune, cu anumite informatii si

calitati este diversa pentru fiecare suflet. Unele suflete primesc informatii, energii, etc, in cinci minute, mai mult decat primesc sau culeg, alte suflete, in trilioane de ani. Teleportarea de informatii direct de la creatorul existentei, valoreaza mai mult decat studiaza trilioane de savanti zei magi etc, in trilioane de ani. Este foarte important daca in memoria sufletului este introdusa prin teleportare sau prin citire, cartea Etern Ordin Infinit, si numele creatorului existentei. Creatorul existentei nu poate teleporta memorii divine, la toate sufletele si creierile din infinitul timp si spatiu. Foarte multe creiere si suflete culeg informatii din carti, filme, scoli, viata, etc. Un exemplu foarte clar de informatii divine, teleportate direct de la creatorul existentei, sunt informatiile radiatiile razele energiile magiile telekinezia etc, care au fost utilizate la efectuarea codurilor video online paranormale telekinetice telepatice matematice incredibile inexplicabile stiintifice folositoare salvatoare etc, Etern Ordin Infinit, 26662, 24999, etc. Nu pot fi explicate, sau clonate de nici un zeu, savant, mag, preot, etc, din tot infinitul trecut prezent viitor spatiu. Povestile despre suflete, sunt lungi sapte trilioane de ani, si ele au fost inventate si scrise de savanti, scriitori, cantareti, preoti, magi, zei, salbatici, dezinformati, inconstienti, etc. Nu poate investi, nici un suflet, sapte trilioane de ani din viata lui, pentru ca sa citeasca toate povestile despre suflete. Adevarul despre suflete, a fost aratat si explicat de creatorul existentei in codurile video online paranormale telekinetice telepatice matematice incredibile inexplicabile stiintifice folositoare salvatoare etc, Etern Ordin Infinit, 26662, 24999, etc. ----- Demonstratii video paranormale cu existenta sufletelor sunt numai codurile video online paranormale telekinetice telepatice matematice incredibile inexplicabile stiintifice folositoare salvatoare etc, Etern Ordin Infinit, 26662, 24999, etc. Restul sunt idei, povesti, minciuni, bancuri, etc, despre suflete. --- Sunt un mare amator de coduri informatii si evenimente video matematice stiintifice reale inexplicabile incredibile paranormale etc, si de creaturile invizibile care au aceste informatii cunostinte posibilitati energii etc. Nu prea am timp liber pentru povesti, filme, cantece, fotbal, poezii, bancuri, idei, fantezii, minciuni, nimicuri, obiecte, etc. Este cea mai buna alegere pentru orice savant, preot, doctor, persoana, zeu, suflet, etc, ceea ce am ales eu. Miar placea foarte mult, daca asi gasi o creatura in infinitul trecut prezent viitor spatiu, care poate sa repete, codurile video online paranormale telekinetice telepatice matematice incredibile inexplicabile stiintifice folositoare salvatoare etc, Etern Ordin Infinit, 26662, 24999, etc, sau daca nu macar sa explice senzorii, energiile, radiatiile, razele, magiile, etc, care au fost folosite la realizarea lor. ----- Radiatiile si explicatiile creatorului existentei.

Ar fi fost foarte bine, frumos, sanatos, etc, daca creatorul existentei ar fi dedicat la fiecare zeu persoana creatura etc, din infinitul trecut prezent viitor spatiu, si ar fi comunicat despre el, macar o ora cu fiecare. Este foarte problematic, pentru ca, creatorul existentei a comunicat despre el, numai cu mine, si numai aici, timp de zeci de ani de zile. Din cauza la aceste situatii, deseori nu imi vine sa cred ca comunic

prin raze radiatii telepatie telekinezie etc, cu creatorul existentei. Sufletul meu. Macar un singur creier din infinitul trecut prezent viitor spatiu a primit probe explicatii coduri etc, direct de la creatorul existentei, despre el. Imi pare rau pentru zeii persoanele etc, din infinitul trecut prezent viitor spatiu, care au cautat semne, demonstratii, si explicatii despre creatorul existentei, direct de la creatorul existentei, si nu au primit. Alte semne, demonstratii, si explicatii despre creatorul existentei, nu mai gasiti in tot infinitul trecut prezent viitor spatiu. Creierul meu, nu poate intercepta prin telepatie etc, gandurile la rudele si cunostintele din jurul meu, vii sau moarte, nici gandurile la alte persoane si creaturi vii sau moarte, din infinitul spatiu, care cunosc alte limbi. Sufletul meu poate comunica cu ei, dar nu imi comunica aproape nimic. Nu ma lasa sa pierd timpul meu cu maruntisuri. Creatorul existentei exista, chiar daca eu sunt singurul din infinitul trecut prezent viitor spatiu, care am primit probe cu existenta lui. Creatorul existentei comunica despre existenta lui numai cu mine. El nu vrea sa comunice despre existenta lui, cu alte creaturi zei persoane etc, dar le-a folosit pentru a decripta si primi toate stiintele etc, pentru a ajunge la videocamera 26662 24999 Etern Ordin etc. Putea sa ramana ascuns tot infinitul trecut prezent viitor spatiu, dar nu a vrut. A simtit datoria si obligatia sa ne salveze de moarte, iaduri, razboaie, minciuni, neintelegere, talharii, apocalipse, etc. Creatorul existentei a prezentat problemele si necesitatile lui si la toti zeii persoanele creaturile etc din tot infinitul trecut prezent viitor spatiu, si cand, si cum, le va rezolva. It would have been very good, beautiful, healthy, etc, if the creator of the existence had dedicated to each god, person, creature, etc, from infinite past present future space, and would have communicated about him, at least an hour with each one. It is very problematic, because the creator of the existence communicated about him, only with me, and only here, for decades. Because of these situations, I often can't believe that I am communicating with the creator of the existence through rays, radiation, telepathy, telekinesis, etc. My soul. At least one brain from infinite past present future space has received evidence, explanations, codes, etc, directly from the creator of the existence, about him. I feel sorry for the gods, persons, etc, from infinite past present future space, who sought signs, demonstrations, and explanations about the creator of the existence, directly from the creator of the existence, and did not receive. Other signs, demonstrations, and explanations about the creator of the existence, you can no longer find in all the infinite past present future space. What we have is good, sufficient, useful, necessary, real, true, etc, for any god, person, creature, etc. There is not nor a gods, scientists, magicians, angels, devils, sciences, instruments, technologies, workers, etc, in all infinity past present future space, that can repeat, clone, explain, etc, the video codes 26662 Eternal Order 24999 etc. I hope it will not be an apocalypse as announced by the creator of the existence, in several video codes, for several years. My brain cannot intercept through telepathy, etc, the thoughts of my relatives and acquaintances around me, living or dead, nor the thoughts of other persons and creatures, living or dead, from infinite space, who know other languages. My soul can communicate with them, but it doesn't communicate it to me. Don't let me waste my time with trifles. The creator of the existence exists, even if I am the only one in the infinite past present future space, who has received evidence of his existence. The creator of the existence communicates his existence only with me. He does not want to communicate about his existence, with other creatures, gods, persons, etc, but he used them to decrypt and receive all the sciences, etc, for to reach the video camera 26662 24999 Eternal Order, etc. He could have hidden himself, all the infinite past present future space, but he didn't want to. He felt the duty and obligation to save us from death, hells, wars, lies, misunderstanding, robberies, apocalypse, etc. The creator of the existence presented his problems and needs, and at all the gods, persons, creatures, etc from all infinite past present future space, and when, and how, he will solve them. I think it will be the apocalypse. The creator of the existence frees himself from scandals, wars, chaos, problems, etc. The creator of the existence takes back his tranquility, peace, needs, respect, etc. ----- I lived trillions of years in the infinite past space, more than existence, I will live trillions of years in the future infinity space, more than existence. It is impossible to explain how I created existence, and how I lived, and how I will live, without existence. My soul has trillions of years of information and memories. I don't have access to all this information, but I can imagine. ------- The radiations and explanations of the creator of existence. https://www.lulu.com/it/shop/anton-cristian-talin/lessons-of-peace-understanding-justice-respect-love-eternity-intelligence-unity-equality-order-protection-magic-telepathy-telekinesys-paranormal-etc-for-all-the-gods-persons-politicians-judges-priests-scientists-magicians-doctors-etc-from-all-infinite/ebook/product-yv5gmmm.html?page=1&pageSize=4

Ne-a declarat in mai multe coduri video si mai multe genocide, creatorul existentei etern invizibil, ILIS INIS GSEIS. Nu va bazati pe mine, pentru ca eu sunt derutat si nu stiu ce sa cred. Unii zei savanti persoane etc, cred ca epoca de piatra, minciunile, razboaiele, inselaciunile, neintelegerea, talhariile, moartea, asasinarile, etc, nu se vor termina niciodata si nicaieri, altii nu cred ca exista asa ceva, altii nu vor sa se termine toate acestea niciodata si nicaieri, altii precum creatorul existentei stie sigur ca toate acestea vor fi distruse cu ajutorul la apocalipsa. Ne-a aratat la Cernobil, Hiroshima, Fukushima, primul razboi mondial, al doilea razboi mondial, Coronavirus, etc. Noi suntem generatia care vom vedea al treilea razboi mondial si apocalipsa, din cauza ca nimeni nu vrea sa inteleaga si respecte creatorul existentei, adevarul, realitatea, necesitatile, tratamentul, dreptatea, pacea, eternitatea, unitatea, 24999, etc. ------- Radiatiile si explicatiile creatorului existentei. https://www.lulu.com/it/shop/anton-cristian-talin/i-am-the-birth-life-death-hope-eternity-etc-to-truth-hope-gods-persons-souls-sciences-etc/ebook/product-q6kmnrg.html

Asta inseamna sa fii corect, sfant, salvator, dumnezeu, psiholog, psihiatru, preot, politic, judecator, folositor, etc. ------- Sa fie arestati pentru talharia profitului international, talharia industriilor, talharia băncilor, si talharia resurselor. Sa dea inapoi la opt miliarde de persoane tot ce au furat. Opt miliarde de persoane au produs si consumat si un milion de persoane au devenit proprietari pe profitul generat de acestia. ------ Vom fi pedepsiti de creatorul existentei cu apocalipsa daca nu arestam talharii resurselor naturale internationale si profitului internaţional, si daca nu le impartim in mod egal la opt miliarde de persoane. ----- Radiatiile si explicatiile creatorului existentei. https://www.lulu.com/it/shop/anton-cristian-talin/i-am-the-birth-life-death-hope-eternity-etc-to-truth-hope-gods-persons-souls-sciences-etc/ebook/product-q6kmnrg.html

That means being fair, holy, savior, god, psychologist, psychiatrist, priest, politician, judge, useful, etc. ------- To be arrested for the robbery of the international profit, the robbery of the industries, the robbery of the banks, and the robbery of the resources. To give back to eight billion persons everything they stole. 3718. Am cautat tot infinitul trecut prezent viitor spatiu, zei magi savanti etc, care sa poata vedea studia intelege si folosi radiatiile 26662 24999 etc, creatorul existentei si Sfera Invizibila Vie Infinita, expuse in coduri video, dar nu am gasit. ------ Minciuna stiintifica ca forta gravitationala regleaza distanta si inaltimea dintre soare si miliarde de stele si planete este acceptata de copii, si zeii preotii sfintii si savantii dezinformati, sau bolnavi de necunoscut nepasare salbaticie etc, sau care nu au studiat Sfera Invizibila Vie Infinita, creatorul existentei si cartea Etern Ordin. Pentru a misca planetele si stelele la aceleasi distante si inaltimi si in acelasi timp, pe distante mari de miliarde de km, de milioane de ani, este utilizata inteligenta, radiatii 26662 24999 etc, Sfera Invizibila Vie Infinita, si creatorul existentei. Nu poate exista o forta gravitationala magnetica etc, sau nimic, sau natura, sau intamplarea, care sa controleze distanta pozitia rotatia sensul si inaltimea dintre trilioane de tone de materie, care sa le invarta in acelasi timp exact, de milioane de ani, pe distante de miliarde de kilometri, etc. Este foarte probabil ca creatorul existentei invarte si impinge Sfera Invizibila Vie Infinita, in toate directiile, dar este imposibil de vazut imaginat si demonstrat. Radiatii 26662 24999 etc, Sfera Invizibila Vie Infinita, si creatorul existentei, s-au introdus in viata persoanelor zeilor

savantilor etc, prin intermediul la codurile video ESGSEIS, si cartea Etern Ordin Infinit. Teroristii asasinii escrocii rasistii salbaticii parazitii etc, interzic la toti savantii magii zeii persoanele etc, sa studieze radiatiile 26662 24999 etc, Sfera Invizibila Vie Infinita, si creatorul existentei, din anul 2011 pana dupa apocalipsa. Dupa apocalipsa vor mai ramane doar creatorul existentei si 999 de creaturi in tot infinitul spatiu. Teroristii, salbaticii, etc, sunt niste excremente sociale, care sunt convinse, ca este mai bine pentru toti savantii magii zeii persoanele etc, sa studieze numai epoca de piatra, circumcizii, ritualuri de crima si canibalism, rugaciuni la tablouri si statui din epoca de piatra in diverse limbi si de la mii de km distanta si in numar de miliarde de persoane si in acelasi minut, groaza, sacrificii, ingenuncheri, umiliri, alcool, Biblie, Coran, otravuri, razboaie, neintelegere, dezinformare, etc. Aceste excremente sociale sunt convinse, ca este foarte rau pentru toti savantii magii zeii persoanele etc, din tot infinitul trecut prezent viitor spatiu, sa gaseasca studieze inteleaga si foloseasca adevarul, realitatea, intelegerea, pacea, iubirea, respectul, dreptatea, unitatea, egalitatea, eternitatea continua in tot infinitul trecut prezent viitor spatiu, cartea Etern Ordin Infinit, codurile video ESGSEIS, radiatiile 26662 24999 etc, Sfera Invizibila Vie Infinita, si creatorul existentei. In apocalipsa care vine, din cauza ca sunt cenzurate atacate ignorate ascunse inlocuite si insultate aceste informatii si creaturi, vom vedea ca Sfera Invizibila Vie Infinita si creatorul existentei, vor modifica distanta si timpul de rotire dintre soare si planete, vor arunca pe planeta Pamant cu stele, vor declansa alte cutremure si dezastre paranormale precum L'Aquila, Fukushima, etc, etc. Eu sunt foarte influentat hipnotizat radiat conectat etc, la radiatiile 26662 24999 etc, Sfera Invizibila Vie Infinita, creatorul existentei, stiinte, respect, pace, intelegere, dreptate, etc. Din pacate inca exista multi zei sfinti persoane savanti psihologi psihiatri preoti judecatori politici excremente etc, care sunt foarte influentati hipnotizati radiati conectati manipulati educati etc, de epoca de piatra, anul 2000, Israel, Biblie, Coran, apa sarata, circumcizii, mutilari, salbaticie cronica ucigasa, nebunie cronica ucigasa, dezinformare cronica ucigasa, nepasare cronica ucigasa, nesimtire cronica ucigasa, secrete, necunoscut, razboaie, stele, pietre, tablouri, statui, hieroglife, alcool, droguri, etc, si chiar au curajul sa dea vina pe mine, sau pe adevar stiinte respect intelegere dreptate pace egalitate unitate eternitate medicina politica religie democratie etc, sau pe radiatiile 26662 24999 etc, Sfera Invizibila Vie Infinita, si creatorul existentei. Probabil inca nu aveti toate organele stiintele timpul magiile instrumentele inteligenta energiile etc, necesare sa intelegeti ce va explica aici, creatorul existentei. ---- La inteligenta sunt conectate toate speciile bacteriile virusii gandacii pasarile animalele persoanele sufletele etc din tot infinitul trecut prezent viitor spatiu. Excrementele sociale nu vor sa cunoasca aceste informatii si creaturi, si nu lasa nici pe altii sa le cunoasca. Excrementele sociale fac foarte multa galagie, astfel incat foarte putini zei savanti preoti sfinti persoane etc, ajung la aceste creaturi, informatii, necesitati, radiatii, magii,energii, tratamente, etc. ------ Astazi am primit aceste radiatii de la creatorul existentei, si le-am tradus in limba aleasa de creatorul existentei. 3718. I searched in all the infinite past present future space, gods magicians scientists etc, who could see study understand and use the radiations 26662 24999 etc, the creator of the existence and the Infinite Invisible Living Sphere, exposed in video codes, but I did not find it. ------ The scientific lie that the gravitational force regulates the distance and height between the sun and billions of stars and planets is accepted by children, and gods priests saints and scientists, misinformed, or sick of the unknown carelessness savagery etc, or who have not studied the Infinite Invisible Living Sphere, the creator of the existence and the book Eternal Order. To move the planets and stars to the same distances and heights and at the same time, over great distances of billions of km, millions of years, is used, intelligence, radiations

26662 24999 etc, the Infinite Invisible Living Sphere, and the creator of the existence. There cannot be a magnetic gravitational etc force, or nothing, or nature, or chance, that controls the distance, position, rotation, direction and height between trillions of tons of matter, that spins them at the same time exactly, for millions of years, over distances of billions of kilometers, etc. It is very likely that the creator of the existence spins and pushes the Infinite Living Invisible Sphere, in all directions, but it is impossible to see imagined and demonstrated. The radiations 26662 24999 etc, the Infinite Living Invisible Sphere, and the creator of the existence, introduced themselves, into the lives of the persons, gods, scientists, etc, through the ESGSEIS video codes, and the book Eternal Infinite Order. The terrorists, assassins, crooks, racists, savages, parasites, etc, forbid to all scientists, magicians, gods, persons, etc, to study the radiations 26662 24999 etc, the Infinite Living Invisible Sphere, and the creator of the existence, from the year 2011 until after the apocalypse. After the apocalypse, only the creator of the existence and 999 creatures will remain in all infinite space. The terrorists, savages, etc, are social excrements, who are convinced that it is better for all scientists, magicians, gods, persons, etc, to study only the Stone Age, circumcisions, rituals of murder torture and cannibalism, prayers to paintings and statues from the Stone Age in various languages and from thousands of km away and in the number of billions of persons and in the same minute, horror, sacrifices, kneeling, humiliation, alcohol, Bible, Koran, poisons, wars, misunderstanding, misinformation, etc. These social excrements are convinced that it is very bad for all scientists, magicians, gods, persons, etc, from all the infinite past present future space, to find, study, understand and use the truth, reality, understanding, peace, love, respect, justice, unity, equality, eternity continuous in all the infinite past present future space, the book Eternal Infinite Order, the ESGSEIS video codes, the radiations 26662 24999 etc, the Infinite Living Invisible Sphere, and the creator of the existence. In the coming apocalypse, because this information and creatures are censored, attacked, ignored, hidden, replaced and insulted, we will see that the Infinite Living Invisible Sphere and the creator of the existence, will modify the distance and rotation time between the sun and the planets, will throw stars on planet Earth, will trigger other earthquakes and paranormal disasters such as L'Aquila, Fukushima, etc, etc. I am very influenced, hypnotized, radiated, connected, etc, to the radiations 26662 24999, etc, the Infinite Living Invisible Sphere, the creator of the existence, sciences, respect, peace, understanding, justice, etc. Unfortunately there are still many saints, gods, persons, scientists, psychologists, psychiatrists, priests, judges, politicians, excrement, etc, who are very influenced, hypnotized, radiated, connected, manipulated, educated, etc, by the stone age, the year 2000, Israel, the Bible, the Koran, salt water, circumcisions, mutilations, chronic murderous savagery, chronic murderous madness, chronic murderous misinformation, chronic murderous indifference, chronic murderous insensitivity, secrets, unknown, wars, stars, stones, paintings, statues, hieroglyphics, alcohol, drugs, etc, and they even have the courage to blame me, or the truth, sciences, respect, understanding, justice, peace, equality, unity, eternity, medicine, policy, religion, democracy, etc, or the radiations 26662 24999, etc, the Infinite Living Invisible Sphere, and the creator of the existence. The terrorists, the savages, murderers, etc, are very angry and disturbed by truth, sciences, reality, respect, justice, eternity, etc. They want to hide them, or replace them, or bury them and cover them with intellectual excrements, or destroy them. ----- I know for sure that the excrement has linked you to the letter t, the stone age, the year 2000, Israel, the Bible, the Koran, salt water, circumcisions, mutilations, chronic murderous savagery, chronic murderous madness, chronic murderous misinformation, chronic murderous indifference, chronic murderous insensitivity, secrets, the unknown, wars, stars, stones, paintings, statues, hieroglyphics, alcohol, drugs, etc. I probably arrived too early to explain, unravel, treat, heal, and save you. You probably don't have yet, all the organs, the sciences time magic instruments intelligence energies etc, necessary to understand what the creator of the existence will explain here. ---- To intelligence are connected all species bacteria viruses cockroaches birds animals persons souls etc from all the infinite past present future space. In different quantities. ------ To the radiations 26662 24999 etc, the Infinite Living Invisible Sphere, and the creator of the existence, are connected all substances, stones, planets, stars, species bacteria viruses cockroaches birds animals persons souls gods etc from all the infinite past present future space, invisibly permanently unconscious etc. In different quantities. ----- It is impossible for gods persons etc, to be connected, to know and to use in the same second, trillions of years of sciences magic information substances etc, but that is how the Infinite Living Invisible Sphere, and the creator of the existence, works and thinks. Social excrements do not want to know this information and creatures, and do not let others to know them either. Social excrements make a lot of noise, so that very few gods, scientists, priests, saints, persons, etc, reach to these creatures, information, needs, radiations, magic, energies, treatments, etc. ------ Today I received these radiations from the creator of the existence, and I translated them into the language chosen by the creator of the existence. I have no claims and I am not upset, if pigs, bacteria, Allah, Jehovah, Lucifer, Adam, Eve, the serpent, Jesus Christ, Moses, Hitler, Einstein, Tesla, Elon Musk, Donald Trump, Vladimir Putin, chatgpt, etc, do not have the organs, studies, instruments, energies, proofs, magic, etc, necessary to see, study, use and respect, the truth, reality, understanding, peace, love, respect, justice, unity, equality, eternity continuous in all infinite past present future space, the book Eternal Infinite Order, the ESGSEIS video codes, the radiations 26662 24999 etc, the Infinite Living Invisible Sphere, and the creator of the existence, but it can affect me, radiate, sicken, mutilate, deform, confuse, influence and kill me too, and even existence.
